Dear Mr. Long:

On September 25, 1998, a field compliance inspection was conducted for your notice, UTU-070705, which includes unpatented mining claims UMC 109811-4, located in Section 22, T. 12 S., R. 12 W.. This notice was accepted by our office on August 25, 1993, under the 43 CFR 3809 regulations for surface management. Based on our inspection, we have determined the surface disturbance related to your prospecting activities has been satisfactorily reclaimed. Therefore, this notice case file is closed.

If you restart any mining related activity that causes surface disturbance, then you must re-notify this office at least 15 days prior to the start up of your operations.

Thank you for submitting your notice and for your support in proper management of public lands.

Sincerely,

Larry Garahana
Geologist
